General Pasture Weed Control for Southeast Kansas

Southeast Area Extension Agronomist Dr. Doug Shoup and Southwind Extension District Agent for Livestock Production and Forage Management Christopher Petty will discuss control and management options for common pasture weeds.

Topics Include:

- Serecia Lespedeza
- Blackberries
- Broomsedge Brome (poverty grass)

Kansas State University is committed to making its services, activities and programs accessible to all participants. If you have special requirements due to a physical, vision, or hearing disability, contact Christopher Petty. (620) 223-3720 cgp@ksu.edu
