CHANGES IN 4-H HORSE PROGRAM
The 4-H Horse Action Team has been discussing several issues with agents and volunteers during the past few years concerning the Kansas 4-H Horse program. The team has been in the process of revising the rule book that is to be released during the 4-H Horse Panorama. Changes to come:
*Ownership - Youth may own the horse themselves, or use a family-owned horse (immediate family: parent, stepparent, brother, sister, stepsibling, grandparent, or legal guardian).
*Leasing - If a 4-H member identifies a family-owned horse, 1 additional horse may be leased and identified.
*Entering District Horse Shows - 4-H members may participate in their county/district designated District Horse Show plus one additional District Horse Show of their choosing. But before entering the Kansas State Fair, 4-H members must indicate through which District Horse Show they are entering. There will be no picking of classes from each district, only results from one of the districts attended will be used.
*Junior & Senior Horse Western Pleasure – Eliminated
*Ranch Horse Pattern and Reining – Patterns changed.
*Costume, Roping Classes - All information to be added to the web site and not included in the rule book.
*Two Year Old Snafflebit - Reminder it was phased out.

4-H CAMPFERENCE 2020
Campference is for youth ages 12-14 (before January 1, 2020), and will be held June 22-25 at Rock Springs 4-H Center. Participants will experience the feel of a conference, while enjoying the ‘camp’ activities Rock Springs 4-H Center has to offer. This is a great transitional opportunity, as these tweens go from being a camper to attending educational conferences. 4-H Campference will feature workshops about opportunities in the 4-H program and how to better interact with others. Participants will meet other youth from around the state of Kansas. Registration and detailed information will be on the State 4-H Website in March. Registration early as the space will fill on a first come basis, and Campference was full the last 6 years! Register online by May 15 (or earlier if it will close when it is full) and payment must be in the local Extension Offices by May 15.

2020 LIVESTOCK SWEEPSTAKES DATE

Locust Hill will contact the 4-H’er with the best essay to make arrangements for pick-up. If you have questions, please contact Jennifer Munson, State AYP Coordinator, at 785-238-3631 or munson@ksbroadband.net.

HOSTS FOR ACADEMIC YEAR EXCHANGES NEEDED 2020-2021
Kansas 4-H families have the opportunity to host high school students from Japan, South Korea, counties of Eastern and Southern Europe, Asia and Africa. Now is the right time to apply, as applications from students begin arriving in early February. Families must be approved to host before they can read applications for students they are considering. It is disappointing to choose student that the family agrees is a good fit only to find out that another family committed first. Families throughout the U.S. select from the same States’ 4-H pool of students. These students are mostly in grades 10-12, good students, eager to get involved and volunteer, and adequate English speakers. 4-H exchanges students are selected for success and supported by 4-H at all levels. Contact Mary Kay Munson, State AYP Coordinator, at 785-238-3631 or munson@ksbroadband.net.

We can always use extra help if you are available on either of those days to help weigh and tag! Registered heifers do not need to be tagged.

4-H COUNCIL MEETING
The next Allen County 4-H Council meeting will be Thursday, February 27th at 7:00 p.m. The zoning commission has the room booked for 4th Thursdays, so we need to consider an alternative meeting date for the rest of the year. Please bring your calendars and ideas for the 2020 Allen County Fair.
