2019 STATE LIVESTOCK NOMINATION INFORMATION

The state livestock nomination season has arrived! The 2019 materials have been distributed to counties and are posted on the KSU Youth Livestock website, under the "Nomination Information" tab <http://bit.ly/ksunominations> Only the 2019 nomination forms will be accepted. The most significant change for 2019 is the addition of the YQCA requirement for all Grand Drive and KJLS exhibitors. Youth need to have completed this program and be certified at the time of nomination. Families will submit confirmation of completion by attaching each child's certificate to the Declaration Form. More specific details regarding this requirement may be found on the youth livestock website, under the nomination information tab or the YQCA tab. Market Beef nominations will be due on May 1, 2019. All other species, which includes commercial heifers, market swine, commercial gilts, market lambs, commercial ewes, and ALL meat goats, will be due June 15, 2019. Please remember there is not a registered breeding doe show at either state show, so all meat goats must be nominated to be eligible. The Grand Drive has added a doe show for 2019, so youth who would like to participate in this new opportunity will need to nominate their does. Deadlines are firm postmark deadlines. Any nomination envelope or package received must have a visible postmark prior to the deadline, or it will not be accepted. It is also important to note that June 15 is a Saturday this year, so families should be cautious in waiting until the deadline to submit their nominations. Sending nominations via certified mail is highly encouraged. Families are also encouraged to use the check list provided for each specie to make sure their nominations are complete. Incomplete or incorrect nominations will be returned to the family and cost \$20 to correct. For information, contact Lexie Hayes by e-mail adhayes@ksu.edu or call her at 785-532-1264.

STATE HORTICULTURE JUDGING AT KSU

The Contest will be held Saturday, August 17. Registration will be in early July. 4-H CLOVERBUDS AND SPRING SHOWS

Cloverbuds was designed for 5 and 6 year olds and is activity focused, rather than project focused. Cloverbuds may not participate in any competitive 4-H events. Cloverbuds may showcase their exhibits at fairs and public events, but they may not own and/or show 4-H livestock.

KANSAS 4-H HORSE RULES

May 1 horse deadlines are quickly approaching. Let's review a few of the frequently asked questions.

Horse Ownership: Youth may own the horse themselves, or use a family-owned horse (immediate family: mother, father, stepparent, brother, sister, grandparent, or legal guardian).

Leasing: The leasing option is intended for youth who are unable to participate fully in the 4-H horse project because they do not have access to family-owned horse, provided that they manage the horse at least 75 percent of the time from May 1 through September 30. If a 4-H member leases his or her project horse to another 4-H member, the leaser forfeits the right to use the horse.

Sharing project horses: Siblings may show the same horse provided they are not in the same class. If both are in the same age classification, they must decide what classes each will show in.

2-year and 3-year old Snaffle-bit: No one is allowed to ride this nominated horse except you from May 1 until the conclusion of the Kansas State Fair. This includes a trainer, parents, horseless horse member, another 4-H member, sibling, potential buyer, etc.

HORSELESS HORSE

Clarifications based on learning and risk management concerning the Horseless Horse Project.

- Member does not own or lease a horse
- Intended to offer members the opportunity to learn about horses
- Member may participate in judging contests, quiz bowl, hippology and give presentations
- Member may volunteer to assist another member at horse shows and trails rides
- Member may exhibit at local fair with a borrowed 4-H Identified horse in the showmanship class only
- No riding.

YOUTH FOR THE QUALITY CARE OF ANIMALS

Youth planning to exhibit in the 2019 Kansas State Fair Grand Drive and/or the Kansas Junior Livestock Show (KJLS) are required to be certified for Youth for the Quality Care of Animals (YQCA). YQCA is a new national, multi-species youth livestock quality assurance program. It is an annual training open to youth 8-21 years of age and focuses on food safety, animal well-being, and character development. Kansas 4-H members may register for the \$12 online certification at yqca.org using their family 4Honline credentials to log in and register.

STATE 4-H LIVESTOCK TEAM SELECTION

Southwind is allowed 4 teams at all state judging contests. Livestock teams will be selected by scores and participation in the following:

- Southeast Area Contest
- Allen, Bourbon, and Neosho County Fair Contests (must participate in at least one)
- Attendance in 3 practices before the County Fair.

4-H Age: Eligibility for an out of state trip, participants must be 14 years or older as of January 1. To be clear, each county will submit their top 4 individuals from the above events, which will give us 16 individuals eligible for the 4 teams during the Kansas 4-H Livestock Sweepstakes. From those 16 youth, composite teams will be determined based on contest scores, practice participation and agent/coach discretion.

TRUE LEADERS IN SERVICE

National 4-H has announced True Leaders in Service, a month-long community service activation. It officially kick-offs the first day of April, and culminates with the National 4-H Day of Service on the last Saturday of April each year. Thousands of 4-H'ers venture out into their communities throughout the month of April to do what 4-H'ers do best: lead in service to tackle community challenges and help meet the needs of others. 4-H members, adult volunteers and friends help improve their communities by adopting a service project. These projects can be done as individuals, as an entire county or district 4-H program, or anything in between. The goal of Leaders in Service is to encourage 4-H members in every county to make a big impact on our country. Each 4-H club or program will choose how best to ignite their spirit of service as they offer help in hundreds of ways across the nation throughout the month of April and/or on the National 4-H Day of Service. If April 27 does not work for a project, any project in April can be a part of this effort.
