NEW ENROLLMENT DEADLINE

In January, the Southwind Extension District Executive Board voted to move the enrollment deadline with fees paid, to December 1st.

4-H FUNDRAISING SCAM

In the recent months, there have been some issues across the state with individuals selling items claiming the funds are going to 4-H. And the most recent was an incident in Bourbon County, where a man was selling beef jerky. As you know, our local 4-H program relies on donations from our community to thrive.

Jennifer is requesting that clubs send their flyers to her when you are doing a fundraiser. The offices will then be notified so when someone calls we will be able to confirm or deny if a fundraiser is taking place. It will also help ensure that we are properly representing the 4-H Club and properly using the clover.

4-H GEOLOGY EXHIBIT BOX ORDER FORM

SUMMER 2018 4-H JAPAN INBOUND EXCHANGE

Looking for some new fun and excitement this summer? Host a new friend from Japan in your home, July 23 – August 17. We need host families who would be willing to host a Japanese boy or girl; most are aged 12 and 13, with a couple delegates aged 14 - 16. We need to make host family assignments matching each delegate with an American same-gender host sibling as soon as possible so that families and exchange delegates can communicate and get to know each other. Any Kansas family with children aged 10-16, who is interested in the Japanese culture, may host. A separate bed is required, but not necessarily a separate room from the host sibling. Delegates are 100 percent medically covered with 4-H insurance and bring their own spending money. They can go on host family vacations, camping trips, or join their host sibling for summer camps. The focus is everyday family life. If you have further questions, please call Rose Scott, Kansas 4-H Japanese Exchange Coordinator, 785-388-2009 or 785-565-3197, or e-mail - sixtykid2@gmail.com.

THE GREAT FCS JUDGING HEALTH PUZZLE

What impacts health in your community? The 2018 Family and Consumer Science Judging contest is exploring this very question. 4-H members are invited to submit videos targeting a local health issue. Learn more about how to create and submit team videos by May 15 at

<http://www.kansas4-h.org/events-activities/contests/fcs-judging/index.html>.

While attending the September 15 contest, team members will use their detective skills to solve the health mystery in the puzzle room, share about their perspectives on health during a team presentation and review other team videos.

KS FAMILIES TO HOST 4-H MEMBERS FROM COSTA RICA & FINLAND

A 4-S representative from Costa Rica will be hosted by the Joe and Amy Schmitz family in Marshall County. 4-S is the Spanish name for 4-H in Costa Rica and is the sponsor for Allan Salazar, 17, who will represent the organization in Kansas June 26-July 22. Minttu Varis, 18, will represent Suomen 4H, (4-H in Finland) while visiting Kansas during the same period and hosted by Gary and Lea Ann Seiler's family, Hodgeman County. The teens will be joined by a Finnish chaperone, whom we plan to place with two families for about two weeks each. Two host families are needed for this young lady with interests in outdoors and nature as well as 4-H. Contact Mary Kay Munson, Kansas 4-H International Exchange Coordinator at 785-238-3631 or munson@ksbroadband.net for information on hosting the adult chaperone.
