Fraud, Scams, and Identity Theft – What You Need to Look For

Today’s technology leaves the door open for intrusions from marketers and even criminals.

This program will cover some of the common approaches to the invasions of our personal privacy.

Tools and information will be shared to help prevent these types of activity from happening to you.

Hosted in partnership with the Chanute Public Library  620-431-3820

Thursday, February 24
1:30 p.m.  - Chanute Public Library
111 N. Lincoln
Chanute, KS 66720
