Each year, health insurance options change along with coverage and costs. Take time to review your options for 2019 with a Senior Health Insurance Counselor (SHICK) for Medicare or a Navigator for Marketplace Health Insurance. For an in-person appointment at your local Southwind Extension office, call Joy Miller, Extension Agent certified as a SHICK counselor and Navigator. It is free, unbiased, and confidential.

For an appointment or questions, call (620) 223-3720 or e-mail joymiller@ksu.edu.
