Join us for this hands on workshop!
You’ll discover easy, low-cost methods for growing delicious gourmet mushrooms. Learn how to inoculate logs and wood chip beds so that you can harvest and enjoy or even sell your own mushrooms year after year! Each participant will get to take home what they make.

Topics covered:
• Growing oyster mushrooms on straw and sawdust
• Inoculating shiitake mushrooms (hands-on)
• Log selection and harvest
• Straw preparation

Workshop is $15. Please bring a hand drill – corded is better than cordless

Registration deadline: Wednesday, March 17

For more information and to register, call the Iola office: 620-365-2242 or the Erie office: 620-244-3826

State COVID-19 protocol for in-person meetings will be followed at the workshops.
