FAIR ACTIVITIES OPEN TO THE PUBLIC

TINY TOTS BUCKET CALF, LAMB, & GOAT SHOW
- Youth ages 4-7 years who know a 4-H member, whose bucket calf, meat goat or lamb they can use to show, (must ask permission of a 4-H member to use their animal)
- Lamb, goat, or calf must have a halter
- No show sticks or combs may be used with a bucket calf
- No open toe shoes
- If the child is under 5 years, the owner of the animal must be present in the showing
  - All contestants will receive a participation ribbon

TURTLE RACE
- Two divisions: Water Turtle/Snapper & Box Turtle/ground
- All contestants will receive a coupon for a free drink from the concession stand compliments of the Neosho County Fair Association

GREASED PIG CONTEST
- The contest will be divided by age and gender: 5-7 years; 8-11 years; 12-14 years
- All contestants will receive a coupon for a free drink from the concession stand compliments of the Neosho County Fair Association

CREATIVE FITTING & SHOWING CONTEST: (Sponsored by Loy & Janis Reinhardt)
- 4-H members, would you like to dress yourself and your animal up in a look-a-like contest?
- You do not have to own the animal for this contest, and just a costume for you and an animal.
- You should have a 'title theme' and on a 3"x5" card write a short story about yourself.
- You may include how you chose the title/theme, something about your animal, your name/age, 4-H club; and hobbies that will be read about you as you enter the show ring.
- Prizes will be given for first, second, and third placing. Each 4-H club is challenged to have at least one entry in the contest.

KIDDY TRACTOR PULL
- Age divisions are 4-12 years, with the boys and girls in each age division competing against each other.
- First, second, & third place will receive a trophy and will be eligible to participate in the State Kiddy Tractor Pull at the Kansas State Fair in Hutchinson. State Fair vouchers are also given to the first 3 place winners who haven't already qualified elsewhere.
- All contestants will receive a coupon for a free drink from the concession stand compliments of the Neosho County Farm Bureau, the sponsor of the Kiddy Tractor Pull.

4-H AND FFA GENERAL RULES
- The Neosho County Fair is the official county 4-H fair, all members desiring to exhibit project in out-of-county competition must exhibit at this fair.
- Neosho County 4-H members, who have enrolled in 4H Online by January 1, 2022, are eligible to exhibit at the County Fair.
- Members can exhibit only in those phases of the project in which they are enrolled by May 1. No exchanging of projects is permitted. All exhibits must be the result of the current year, work of the 4-H member and owned solely by the exhibitor, except for horses.
- Members compete by age (as of January 1) levels. They are Junior (7-9); Intermediate (10-13); and Senior (14 & older).
- All 4-H exhibitors are required to complete fair entries on or before July 1 in the online FairEntry system. Late entries will be accepted July 2nd to July 15th with a $25 late fee per exhibitor. NO entries will be accepted after July 15th.
- An entry tag is to be attached to each exhibit entered in the 4-H Building with tape, string, or rubber band. Entry tags will be printed and available for pick-up from the Extension Office, the date will be announced for pick up.
- Exhibits by members 9 years and older earning a purple ribbon may be eligible for the Kansas State Fair. 4-H members are responsible for checking with the Extension Office for eligibility before August 10th.
- All exhibits are to remain on the fairgrounds from the time of entry until the scheduled release. NO EXCEPTIONS. Any exhibits removed prior will forfeit all premiums.
- Superintendents, Extension Agents, and Fair Board are not responsible for exhibits left after exhibit release.
- Neither Neosho County Fair Association nor Southwind Extension District is liable for the loss or damaged private property.
• 4-H premiums will be paid after clean-up is completed on Tuesday and given to the club leaders to distribute. 4-H premium money not picked up at the clean-up will be given to community club leaders for pick-up. Please see rules for Indoor and Livestock Departments.

• Rather than designating prizes as first, second, and third. Exhibitors will be placed in the purple, blue, red, and white ribbon groups based on the Danish System. The ribbons and requirements are:

  • Purple – an outstanding exhibit that met all class requirements, containing few, if any, flaws.
  • Blue – a particularly good exhibit that met all class requirements, containing few flaws, and well above minimum standards.
  • Red – a good exhibit that met all class requirements and was slightly above minimum standards. Although displaying good effort, the exhibit contained several flaws.
  • White – an average exhibit that met all class requirements but was below minimum standards. Containing several flaws and considerable room for improvement exists.

Grand Champion and Reserve Champion Rosette Ribbons may be awarded in each project based on the recommendation by Judge. The amount of money appropriated will vary with the placing. Cash prizes will be paid in purple, blue, red, and white ribbons.

Premium money will be:
• Grand Champion $2.00
• Reserve Champion $1.75
• Purple $1.25
• Blue $1.00
• Red $0.75
• White $0.50

Showmanship classes and green participation ribbons do not receive any premium money.

4-H AND FFA GENERAL RULES-INDOOR EXHIBITS

1. Exhibits must be in place by assigned check in time on Thursday, July 21. Exhibitors are not to remove their indoor exhibits until assigned times on Monday, July 25th.
2. Name of the exhibitor, age, address, name of club or chapter, name of article or variety, must be securely attached to all exhibits.
3. No clean-up or tear down will be allowed until after 10:00 p.m. or otherwise announced.
4. An exhibit limit has been set at four per division for those that allow more than one.

4-H AND FFA GENERAL RULES-OUTDOOR EXHIBITS

1. Exhibits must be in place by 10:00 a.m. on Thursday, July 21. Exhibitors are not to remove their indoor exhibits until assigned times or their animals until 10:00 p.m. on Monday evening, July 25.
2. You must own the animal to compete in showmanship except in horseless horse.
3. Health requirements will be enforced for all animal exhibitors.
4. Upon arrival at the fairgrounds, 4-H Livestock exhibits will be taken directly to each department where the superintendent will enter your name in the appropriate division. No exhibit will leave fairgrounds unless approved by the project superintendent and project related Agent.
5. Any exhibits removed prior to assigned check out times on July 25th without project superintendent approval will forfeit ribbon premium money for all projects.
6. All livestock exhibitors will have an entry card with them upon entering the show arena.
   • Livestock does not use an entry tag. They have their own card.
   • Each livestock exhibitor will have an entry card with them when they enter the show ring, stating their name, age, club, and the class in which they are exhibiting.
   • When the judge has announced the winners in the livestock class, the entry card will be collected and marked with the placing and given to the adult in charge of recording the placing in the superintendent’s book.
   • The livestock entry cards are kept with the superintendent’s book.
7. Competition in the livestock and crops classes are open to any bona fide 4-H or FFA member in Neosho County. All other classes in this department are limited to 4-H members who have not passed their 19th birthday and are 7 years of age by January 1, 2022.
   • Livestock exhibitors must be on hand to exhibit their animals.
   • If an exhibitor has two entries in the same class, the 4-H member or FFA member may ask another Neosho Countymember to assist him/her, provided it meets with the approval of the superintendent of the department.
All animals must show in the show arena to receive any awards and/or premiums and to be eligible to sell in the 4-H livestock sale.

All exhibitors showing in the show ring and selling in the livestock sale (this includes those selling foods) must wear shirts with collars, tucked in; close-toed shoes; no ball caps; and no logos ‘showing’ on any article of clothing excluding manufacturer’s logos (Wranglers, Levi, etc.).

**Clean-up by departments:**

- Livestock project members will clean the barns and remove all hay, etc. on Tuesday, July 26th at 6:00 p.m.
- No 4-H member is to be in livestock barns following the sale. No clean-up or tear down will be allowed in the barns until after 10:00 p.m. or otherwise announced, following the sale.
- Rabbit project members will clean their own building.
- 4-H & FFA members will be required to keep their stalls clean during the fair.
- No stalls can be cleaned during the livestock sale.

**4-H premiums will be paid after clean-up is completed on Tuesday, July 26th, given to club leaders to distribute.**

- 4-H premium money not picked up at the clean-up will be given to community club leaders for pick-up
- The premium money for livestock sold at the livestock sale will be collected directly by the 4-H member from the business or merchant.
- The base bid money can be picked up at the Extension office after August 10th.

No entry fee or stall rent is required in the 4-H & FFA division.

- Neosho County Fair Board reserve the right to dismiss from a class any exhibitor treating their animal in a cruel and/or inhumane manner.
- All stalls will be assigned.
- Once an animal leaves the fairgrounds, they cannot be re-admitted.
- Animals must be in their stalls unless they are being shown, groomed, exercised, or watered. Beef animals may tie-out between the hours of 9:00 p.m. and 9:00 a.m. in the designated tie-out space.
- The horse barn will be kept full during the week.
- During the show, no animal or exhibitor will enter the show ring, unless the superintendent approves the class to enter. Adults must remain at least 5 feet away while animals are being shown. Violation of this rule may disqualify the exhibitor. This rule applies to all projects being exhibited to be 4-H members.
- Only 4-H & FFA members of Neosho County, their parents, project leaders, advisors, and members of the immediate family (defined as parents or legal guardian, grandparents, and 4-H siblings) will be allowed to help to fit animals at the fair.
- Under extraordinary circumstances to be approved by the 4-H Council and the fair board, a 4-H or FFA member may appoint another member to show his/her animal.
- In classes with only one exhibitor, the judge reserves the right to place the exhibit or animal in the ribbon group they see fit.
  
  i. No fitting of any animal species is allowed on the west side of the east road or north of the north road of the fairgrounds.
  ii. FANS – due to safety concerns, no fans will be allowed in or outside of any buildings or barns, except those fans provided by the Fairboard.

**NOTE: FAIR GRIEVANCE POLICY**

- All protests must be made in writing by the owner of the exhibit and signed by the individual writing the protest. A fee of $25 must also accompany the grievance.
- For a 4-H member and FFA member, the protest must also be signed by an adult.
- If the protest involves the judging or placing of an exhibit, the grievance must be filed within one (1) hour after the conclusion of judging of that event.
- All grievances must be filed by 11:00 a.m. on the closing day of the fair.
- The protest must be made to a fair grievance board, consisting of one 4-H council member and one adult from the 4-H council, one member of the fair board and two members of the 4-H program development committee.
- No complaints are to be voiced or written to the Extension Office or their employees.
- Judges’ decisions are final in all exhibits and contests.

**ROUND ROBIN SHOWMANSHIP**

- The champion showman in both the senior and intermediate divisions of the beef, dairy goat, meat goat, swine, sheep, horse, dairy cattle, and dog showmanship events are eligible to compete.
• 4-H members must show their own animal in their class to be judged and then allow that same animal to be shown in the ring by their senior/intermediate competitors, respectively. Each 4-H member will show the other animals for a specified time limit.
• If a 4-H member wins in more than one species, they may choose which species to show, and an alternate will be selected to show the other species.
• Alternates are chosen by descending order of showmanship class placing.
• Please notify the fair office by Sunday, July 24 at 12:00 p.m. as to your participation intentions.

HERDSMANSHP AWARD
• Plaques will be given (in most livestock species) to the 4-H member that keeps their stall neat, clean and the animals well cared for during the county fair.

RULES AND REGULATIONS CONCERNING 4-H/FFA FAT LIVESTOCK SALE
1. Each animal will be treated as an individual project.
   • Each person may sell only one market animal in the market livestock sale.
2. All livestock must be shown at the Neosho County fair in the respective class to be eligible to enter the sale.
3. Breeding animals will not be eligible to be sold at the sale.
4. Eligible sale weights:
   • Market hogs 225-300 pounds
   • Market lambs 95-155 pounds
   • Market meat goats 50-120 pounds
   • Market steers 1,000 pounds
   • Feeder calf: minimum of 600, a maximum of 900 pounds.
5. Livestock entered into the sale must be weighed according to the rules of the Fair Association.
   • Scales will close at 10:00 a.m. on July 21.
6. Bids at the livestock sale will be per head.
7. Should any dispute arise concerning eligibility or requirement, the fair board decision is final.
8. All 4-H/FFA members must be present to sell animals at the premium sale unless they are on a 4-H/FFA sponsored event or personal injury, illness or the death of a family member preventing them from being present.
9. A $8.00 fee, to cover ribbons and other sale expenses will be charged for each animal sold during the sale.
   • If the animal is sold for base bid only, the 4-H member will be charged a $8.00 service fee.
   • If you have a hold animal, then the $8.00 sale fee will be due to the Fair Association.
   • The 4-H member will make a check directly to the Neosho County Fair Association and give it to the Extension office by August 10th.
10. All base bids will be posted.
    • The base bid will be accepted with no shrink on weights.
11. All 4-H members selling animals will notify the fair office in written form from 6:00 p.m. to 8:00 p.m. Saturday, July 23rd.
    • If the disposition form is not turned in by this time, there will be a $25.00 fee charged to the 4-H member.
12. Any animal sold in the livestock sale becomes the property of the base or premium (HOLD) bidder.
    • 4-H members that had an animal held back during the sale by a premium bidder must go directly to the buyer and collect the base bid plus premium in one check.
13. All animals will be penned after the sale, so each superintendent can check identification numbers and see the correct animals are loaded on the truck.
    • The base bid money and premium money for livestock purchased by the Neosho County Merchant’s Fund may be picked up at the Extension office in Erie, after August 10th.
    • If your animal was purchased by a business or an individual, you may collect from them after the fair.

3. Pre-cut kits are acceptable in all clothing classes.
4. The garment should be carefully cleaned and pressed before being exhibited. Since care labels are not always available, no care label will be required, however, the 4-H member should know the fiber content and care instructions for fabric purchased. Labels: Type or print on 3”x2” piece of cloth: name, class name, county/district name. Sew labels on inside of the garment (back of the neck, center back of the waistband, or left end of apron band). Label each piece.
5. Exhibits must be on display at the fair.
6. Exhibitors in the Buymanship classes MUST choose one outfit to wear at the Public Style Revue. Participation is required or all premiums and awards are forfeited.
7. Recycled Clothing project: Remaking/redesigning a garment made of at least 50% recycled material. Must be sewn. A 3”x5” index card MUST accompany entry describing the recycled materials and how they were used in the item. A “before” picture of the garment or item being recycled is required for judging and should be attached to judging form.
8. Educational Exhibit: Share with others what you learned in this project. Exhibits may be in the form of a poster, notebook, or display. Follow copyright laws as explained in General Rules as you are preparing your exhibit. No card table displays are allowed. If the exhibit is a poster, it must not be larger than 22”x28”. If the exhibit is on display, the maximum size is not to exceed a standard commercial 3’x4’ tri-fold display board. Name and county/district must be clearly marked on educational exhibits.
9. Construction Style Revue: Majority of the outfit must be constructed by the 4-H member in the project. Everything which is commonly considered an outer garment must be constructed (vest, jacket, dress, skirt, pants, coat, etc. A sweater, blouse or shirt can be purchased or made. The contestants will be judged on the complete ensemble, accessories, posture, etc.
10. Buymanship Revue: Purchase one outfit or part of an outfit that fits into your clothing plan and be prepared to answer questions by the judges regarding cost, care, clothing budget, wardrobe plan, etc. All entries must complete paperwork or score cards specific to the class. Buying Power: Member selects ONE purchased garment and creates a notebook to bring to judging. The following should be included: 1) Include a title page and a short story of challenges, experiences, what you learned, etc. 2) Show, IN PICTURES, how many ways you were able to make the one base garment look different and increase the number of places it can be worn. Each picture page should have a brief description of the outfit created around the chosen garment. 3) Provide a breakdown of the cost of the base garment and anything NEWLY purchased that you put with this garment.

CLOTHING & TEXTILES CLASSES

- Each 4-H club may enter one banner in the judging competition.
- Banners should illustrate a phase of 4-H work which is being practiced by youth in 4-H or promote 4-H.
- Dimensions are to be no less than 12 and not more than 16 square feet and must be hung with a wooden dowel stick with a cord attached, from end to end of the stick and able to support the banner and hung from a pegboard. ('S' hook is for state fair only).
- Banners should be made of materials that permit the banner to be folded or rolled without damaging the display.
- Make sure to identify the name of the club, and year.
- Clubs should strive for original work, avoiding copyrighted material. Written copyright permission is to be obtained and attached to the exhibit if copyrighted material is used.
- Copyrighted and/or trademarked materials utilized in banners for endorsement or promotion instead of educational purposes will be disqualified and not displayed.

- Fainting Goat
DOGS
Judging Date: Saturday, July 23 at 6:00 p.m.
Read Rules for 4-H & FFA General Rules

Open to all 4-H members enrolled in the dog project.

1. Once a 4-H member scores 170 points or greater with the same dog under two different judges, the member must advance to the next obedience level at the start of the next 4-H year.
2. At any time, the leader, parent and member agree the 4-H member and dog are ready to move to the next level, they may, but once the move is made, they cannot regress back to a lower level.
3. All dogs exhibited on a leash, except in novice and graduate novice.
4. All dogs must remain on a leash, when not being shown.
5. Dogs are not allowed to run at large or accompany owners anywhere on fairgrounds at any time.
6. Owners should collect all dog waste in plastic bags and put it in the trash.
7. Rules and regulations as outlined in Kansas 4-H Dog Guidelines (S-46, NEW Feb. 2000) will be enforced. In addition, show participants will be required to adhere to the following rules:
   - State 4-H Dog Show Immunization Record (MG-34 Revised) is required for all dogs at the fairgrounds.
   - The fully completed forms, available at the Extension office, must be presented to the superintendent on the day of the show.
   - Required vaccinations include Distemper, Hepatitis, Parvo virus, Parainfluenza and Rabies.
   - Recommended vaccinations include leptospirosis, coronavirus, and Bordetella.
   - Rabies vaccination must be administered by a graduate, licensed, an accredited veterinarian.
   - Vaccinations must be current and contain a veterinarian stamp.
   - Abuse of dogs on grounds, or in the ring, will result in disqualification.
   - Any dog in season will not be allowed to show in either showmanship or obedience.
   - The well-fitting collar of leather or fabric is to be used for obedience.
   - Any dog fouling the ring will receive a white ribbon.

- The judge will examine each dog individually for grooming.
- Each 4-H member and his dog will have the opportunity to do a patter.
- First place winners of each age division compete for champion showmanship.

DOG AGILITY
- Senior Division; 14 and over
- Intermediate Division; 10-13 years
- Junior Division; 7-9 years
- Pre-agility-on leash
- Agility-off leash
  1. Members and dogs qualifying with 170 points or more.
  2. Dogs must be at least 12 months old.
  3. Dog: Small-under 15” at the withers; Medium 15-20” at the withers; Large-more than 20” at the withers.
  4. Ribbon groups will be on points: Purple 190-200; Blue 170-189.5; Red 150-169.5; White 149.5 or less.

ENERGY MANAGEMENT
Read Rules for 4-H & FFA General Rules
  1. Open only to those enrolled in the electric/electronics/small engine/power of wind projects.
  2. Each exhibitor may enter up to three articles in this division, but only one per class.
  3. Items may have been used but should be cleaned before exhibiting.
  4. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
  5. Items must be operable by using 110V or 120V AC, or battery power. If battery power is required, batteries must be furnished.
  6. Any project with a complexity of size or electronics must have a) instructions for assembly and use, b) equipment available for actual testing of the exhibit.
  7. No hand-dipped solder may be used on exhibits.
  8. Each exhibit must have a scorecard completed and attached. Visit the fair tab on the Southwind Extension District website.

CLASSES
AC Electric Projects. Electric projects with a 110 Or 120 V alternating current (AC) power source. Some projects examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V exhibits are allowed and must be constructed such that the judges have wiring access to examine the quality and safety of the workmanship.

DC Electrical Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes a demonstration of DC powered projects. Examples include wiring two- or three-way switches, the difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must work with batteries supplied by the 4-H member. Projects must be constructed such that judges have access to examine the quality of the wiring workmanship.
• Electronic Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using a printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of the wiring workmanship.

• Educational Displays and Exhibits. The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e., exhibits, posters, displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from four feet, using a maximum tri-fold size of 3’x4’.

SMALL ENGINES CLASSES
All exhibits should involve engines smaller than 20 horsepower, for display, maintenance, and operation classes.

• Educational & Experimental displays are limited to 4’ wide and 4’ deep – both upright & floor.

• Display-Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; OR 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3’x4’.

• Maintenance-Exhibit a display that illustrates either 1) Routine maintenance procedures OR 2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display, using a maximum tri-fold size of 3’x4’.

• Operation-Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Maximum tri-fold size is 3’x4’. The engine should contain no fuel in the tank or carburetor.

• Educational Display – Create an exhibit that addresses a focused topic related to wind power as a renewable energy source. The purpose of the exhibit is to inform and create awareness.

• Experiment Display – an experiment addressing a problem or questions – related to wind power as a renewable energy source. Include hypothesis, background research, variables, control, data, finding, conclusions, and recommendations for future studies.

ENTOMOLOGY
Members enrolled in the Entomology Project may exhibit in the collection, notebook, and/ or educational display category. Within each category, there are classes, in the beginning, intermediate or advanced phases in which they enter. An introductory entomology collection class exhibit is available for first-year members but may not be exhibited at the State Fair. See class descriptions within categories for requirements. Resources for exhibiting can be found on the Kansas 4-H Entomology project page.

INSECT COLLECTION CLASSES
1. All entries should be submitted in an 18 x 24 x 3.5-inch wooden display box with a transparent plastic top (such as Plexiglas). Boxes can be handmade or purchased if they are of the correct size. Please visit the website listed above for box instructions and plans

2. A 4-H member may choose to use one of two taxonomies:
   a. As printed in “Insects in Kansas” book or
   b. As printed on the “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net

3. Each exhibitor is required to identify each box with two identification labels bearing Exhibitor’s name, county or district, the collection class 4-H member is enrolled in, and statement of taxonomy used: One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.

4. The number of orders, specimens (and families where required) must be included on both exhibitor’s box identification labels.
5. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged by Order in the box, then Family were required.

6. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name and state abbreviation should be on the second label. Collector’s name (or host) on the date/locality label is optional.

7. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to “Entomology Collection Exhibit Resource” for full details on out-of-state insects in collections.

8. Only specimens of the class Insecta should be included

9. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

10. Specimens of soft-bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol-filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

CLASSES

INTRODUCTORY COLLECTION (First and second-year members in the project and not eligible for Kansas State Fair.)

- Display in one or two shoe boxes or one standard box a minimum of 15 and a maximum of 30 species representing at least 6 orders. The boxes should be covered with a piece of cellophane wrap or other clear covering. Follow guidelines for collections.

BEGINNING I ENTOMOLOGY COLLECTION

- Display in one standard box a minimum of 50 and a maximum of 125 species representing at least 7 orders. Follow the guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first and then they are moved up a division.

BEGINNING II ENTOMOLOGY COLLECTION

- Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first and then they are moved up a division.

INTERMEDIATE ENTOMOLOGY COLLECTION

- Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)
  - “Insects in Kansas” book-Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or
  - “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows [www.bugguide.net](http://www.bugguide.net)-Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera

On a piece of paper list what you did to improve your collection during the current year. Members can exhibit in this class a maximum of 3 years. A 4-H member may move up if they receive a purple ribbon at the Kansas State Fair and then they are moved up a division.

ADVANCED ENTOMOLOGY COLLECTION

- Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach the paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

NOTEBOOK RULES

- Individual entries are to be placed for display in a three-ring notebook for competition.
- 4-Hers may choose to use one of two taxonomies:
  - as printed in “Insects in Kansas” book or
  - as printed on the “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows [www.bugguide.net](http://www.bugguide.net)
- 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the introductory phase.
- Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitors’ name, county or district and class is enrolled in and statement of taxonomy used:
“Insects in Kansas” book or
“Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net

The number of orders, specimens, and families (required in Intermediate and Advanced classes) must also be included on the Title Page.

1. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
2. Date, common name, full county name and state abbreviation should be included for each species. Collector’s name on the specimen page is optional.
3. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
4. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus of 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.
5. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well on the front of the divider page.
6. For the Intermediate and Advanced classes, insects are also to be grouped by the family behind each order divider.
7. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in front of the notebook.
8. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.

Notebook Classes

INTRODUCTORY ENTOMOLOGY NOTEBOOK
- Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the guidelines listed for Notebooks, including the Special project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years.

BEGINNING ENTOMOLOGY NOTEBOOK
- Display a minimum of 20 and a maximum of 60 insect species representing at least 7 different orders. Follow the guidelines listed for all Notebooks, including the Special project. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

INTERMEDIATE ENTOMOLOGY NOTEBOOK
- Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the guidelines listed for Notebooks, including the Special project. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)
  - “Insects in Kansas” book-Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or
  - “Insects in Kansas Book: 2016 Revised Taxonomy” which follows www.bugguide.net -Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera
- Members can exhibit in this class a maximum of 3 years. A 4-H member may move up if they receive a purple ribbon.

ADVANCED ENTOMOLOGY NOTEBOOK
- Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including the Special project. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable if accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years if they remain eligible for 4-H membership.
EDUCATIONAL EXHIBIT CLASSES

1. Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology Collection or notebook classes above.

2. Follow copyright laws as explained in the General Rules.

3. The exhibit may be, but is not limited to, original works, digital presentations (must provide printed hardcopy for exhibit purposes for the duration of state fair), programs, websites, games, apps, display box, notebook, display, or poster which you have made.

4. If the exhibit is a wooden display box, it must be 18 X24 X 3.5 inches with a transparent plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22” X 28”. If the exhibit is a display, the maximum size is not to exceed a standard commercial 3’ X 4’ tri-fold display board.

5. Name and county/district must clearly be marked on educational exhibits.

Educational Exhibit Classes

BEGINNING EDUCATIONAL EXHIBIT
- Class for individuals that are exhibiting, in the Beginning, I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 9-12.

INTERMEDIATE EDUCATIONAL EXHIBIT
- Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14.

ADVANCED EDUCATIONAL EXHIBIT
- Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 or older.

FIBER ARTS

Read Rules for 4-H and FFA General Rules

Judging Tuesday, July 19th, 5:00 p.m.-7:00 p.m. at the Fairgrounds

- Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art.) Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.
- Identification Label: Type or print on a 3"x2-1/2" piece of cloth: class number, county or district, and exhibitors name sew or safety-pin this ID label on the lower left corner of the flat article.
- All articles must be in transparent plastic bags when entered, if articles need hung, it must have an appropriate hanger, rod, wire, or other mechanism attached to be properly displayed.
- The exhibitor should attach an index card, no larger than 3"x5", with the entry form to give the judge any information which the exhibitor thinks helpful to the judge. Explain whether you created the fabric for a knitted article by hand or machine. Also, if the exhibit contains any recycled materials, or is made of at least 90% wool.
- There are no age-specific classes in fiber arts. The exhibitor's age and years in the project will be considered by judges.
- State Fair Award: The Kansas Sheep & Wool Auxiliary will award $25.00 to the exhibitor of the top purple in a knitting and crocheting class. The article must be made of at least 90% wool. Attach a statement to the article indicating the fiber content, and specifically, that the material is at least 90% wool and is to be considered for the Wool Award.
- All exhibits which need to be hung. MUST have the appropriate saw tooth hanger, rod, wire or other mechanism attached in order to be properly displayed. If necessary, hardware is not attached, it may not be displayed.
- Fiber Arts Educational Notebook - Share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-tos, photographs of completed projects, or other ways of educating others about fiber arts. NOTE: A collection of brochures, web pages, patterns, record book forms, etc. does not constitute an educational notebook. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Name, local unit and fiber art covered must be clearly marked in the notebook
- There are no age specific classes in fiber arts.
CLASSES

- Crochet, an article including felt items
- Knitting, an article made either by hand or by knitting machine including felted items
- Needle Arts, an article created by hand using the following techniques: embroidery and cross-stitch, needlepoint, candle wicking, crewel, lacework, or applique.
- Patchwork or Quilted Article, it is acceptable practices for the exhibitor to create the patchwork or quilted article and have someone else quilt it.
- Rug Making, a rug – acceptable techniques including braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be used in the home.
- Spinning, a skein – minimum of 10 yards in length
- Weaving, a woven article (fiber material only, not wood)
- Ethnic Arts, an article – must be a technique associated with a specific country or culture.
- Macramé, an article
- Fiber Arts Educational Notebook

FOODS & NUTRITION

Conference Judging Date: Monday, July 18th, 2:00 p.m.

Read Rules for 4-H & FFA General Rules

1. Exhibitors must be in the Food and Nutrition project.
2. Exhibitors may exhibit up to four entries in Non-Perishable Class and one in each of the other classes in this division.
3. All exhibits require a recipe. The source of the recipe must appear on the card. The exhibit will be dropped one ribbon placing without a recipe. Complete recipes with ingredients and instructions must be attached with entry, or the placing will be lowered one ribbon.
5. Alcohol (ex. Wine, beer, and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
6. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf of bread, etc.
7. Under baked entries will be lowered one or more ribbon placings.
8. All un-frosted cakes should be exhibited in an upright position with crust showing. The exception is for cakes made with special designs such as Bundt cakes. They should have top crust side down.
9. Attach label to bottom of plate or cardboard. Label templates are available at http://www.kansas4-h.org/eventsactivities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf or make your own with the following information: Class Name, Food Product Name, 4-H member’s Name, and County or District.
10. Any baked product that can be removed from the pan should be placed on a plate, covered cardboard or disposable container of appropriate size for the exhibit.
11. Exhibits should be in food grade plastic bags, disposable plastic containers or boxes of appropriate size for the exhibit. Only the exhibit is judged. The container is not judged.
12. Attach Carefully secure the entry form, recipe, and evaluation form to the outside of the wrapped exhibit. Do not wrap forms in plastic.
13. Food Gift Basket: Must contain at least three different non-perishable food items prepared for human consumption and made by the 4-H member, in a suitable container. Maximum size of 18"x18"x18". Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. No alcoholic beverages will be accepted. In 50 words or less, on a 3x5" index card, answer these questions: a) what the intended use is, b) what food safety precautions were taken during and after preparation. This entry will count as a non-perishable food product for the State Fair. Food Gift Package and/or Specialty Food Product must be taken to the fairgrounds and on display throughout the county fair.

14. Recipe Collection: A collection of your favorite recipes in a recipe box or notebook. Include your name on each recipe card, as well as the current year. Your name, club, address, county or district, and class name must be clearly marked on all exhibits.

15. Educational Exhibits- (bring to food judging)
   a. The exhibit may be in the form of a poster, notebook, or display showing and describing something learned, a project activity done, a food-nutrition community service program, etc.
   b. Should relate to things done in the project in which you are enrolled.
   c. State your project on your entry.
   d. Follow copyright laws as you are preparing your exhibit.
   e. Your name, club, address, county, and class number and name must be clearly marked on all exhibits.

16. Educational classes: Exhibits may be in the form of a poster, notebook or display. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select materials that will withstand Fair conditions. No card table displays are allowed. If the exhibit is a poster, it must not be larger than 22"x28". Displays are not to exceed a standard commercial 3'x4' tri-fold display board. Name and county or district must be clearly marked on educational exhibits. The educational exhibit evaluation form will be provided at judging time. NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.

CLASSES
- Non-Perishable
- Educational Exhibit
- Food Gift Basket
- Food Flop (not eligible for State Fair)
- Decorated Food Item (Not eligible for State Fair)

FOOD PRESERVATION
Judging will be Monday July 19th
Read Rules for 4-H & FFA Junior Division Department Rules

1. Exhibitors must be enrolled in the Food and Nutrition project.

2. Exhibitors may exhibit one entry per class.

3. All exhibits must have been preserved in the current 4-H year.

4. Recipes and processing methods from the sources below are recommended. Recipes must be from current, tested resources listed below AND MUST BE ADJUSTED FOR ALTITUDE based on your processing location, or it will be disqualified. Processing methods that will be disqualified include: open kettle canning, oven canning, sun canning and using electric multi-cookers. Untested recipes
   - K-State Research and Extension, or other University Food Preservation publications
   - USDA Complete Guide to Home Canning @2015
   - So Easy to Preserve, 6” edition, The University of Georgia Cooperative Extension Services
   - Ball Blue Book Guide to Preserving, Edition 37
   - Ball Complete Book of Home Preserving, @2015 and @2020
   - All New Ball Book of Canning and Preserving
   - Canning mixes (i.e. Mrs. Wage's, Ball)
   - Pectin manufacturers (i.e. SureJell, Ball)
   - KSRE Rapid Response Center Preservation Recipes
   - National Center for Home Food Preservation
   - Ball and Kerr
5. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol will be disqualified and not be judged.

6. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be disqualified. Recipe must include exhibitor name, recipe source, date of publication, and altitude, where food was processed. If using Mrs. Wage’s or Ball® mixes, indicate the date the mix was purchased.

7. Exhibits must be processed in clean, clear standard canning jars, with matching brand (ex: use Ball® lids on Ball® jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars, fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex: Pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe (ex: Salsa is canned in pint jars only, no quarts). Note: There are 12-ounce, 24-ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24 ounce and 28-ounce jars.

8. Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give: Class Number, Product, Altitude where processed, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), Date processed including month and year, Name, and County/District.

9. For Classes in Food Preservation only one jar per entry.

10. The recommended method of processing must be used. Pickles and sweet spreads must be water bath processed and low acid products must be pressure processed. Open kettle processed food or microwave oven canned foods will not be accepted.

11. Entries must be sealed in non-decorated, clean standard canning jars with matching brand two-piece lids. Sweet spreads must be in ½ pint or pint jar. All other products must be in pint or quart jars.

12. Dried products must include the recipe. All meat jerky must be cooked to an internal temperature of 160 degrees F before or after drying. Jerky not heated properly will not be judged.

13. Hole punch the entry card and use a rubber band to attach the entry card and recipe around the top of the jar.

14. Label: Each jar exhibited should be labeled with the following: class number, product, name of the exhibitor, address, club, canning method, processing time, and amount of pressure. These labels should be placed one inch from the base of the plain face of the jar.

15. All preserved foods will be kept for display.

16. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 – ½ cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in “Dry meat Safely at Home.”

CLASSES
- Sweet Spreads, (Fruit and/or Vegetables), Syrups; one jar
- Fruits, Juices, Fruit mixtures (Salsa, Pie Filling, etc.); one jar
- Low-Acid Vegetables (green beans, corn, or vegetable mixtures, etc.); one jar
- Pickles (Fruit or Vegetables) Fermented Foods, Relishes and Chutney; one jar
- Tomato/Tomato Products, (Tomato Juice and Tomato Salsas); one jar
- Canned Meats; one jar
- Dried Foods-One small jar

FORESTRY
Read Rules for 4-H & FFA General Rules
- All leaf exhibits are to be mounted on 8½”x11” heavy stock paper and placed in loose-leaf binders. Magnetic or adhesive filler sheets for photographic prints is recommended. Twigs and fruit collections may be exhibited in whatever manner you choose (maximum exhibit size 2’x3’).
- Name, club, age and year in the project should be on the front cover or in a prominent location.
- Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include:
  - Proper common name as listed in the 4-H bulletin 334, “List of Native Kansas Forest.
  - Location city and/or county leaves were collected
  - Date collected (day-month-year)
- Divide specimens into the following two (2) sections: native Kansas trees, and non-native trees.
- New specimens are those specimens collected during the current 4-H year.
- Group specimen according to the years collected (ex: ‘old previous year’ and ‘new’).
- If you retrieve information for your forestry exhibit, you must include reference citation to the source.
- Variations of varieties do not count as different specimens.
- Exhibit only in phase(s) enrolled. The exhibit may be in either Class A or B; but not in both.
When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the “old previous” section of the display.

If you retrieve information for your forestry exhibit, you must include a reference citation to the source.

In all leaf collections, exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A “leaflet” is incorrect when displayed as the complete leaf for the tree.

INTERMEDIATE FORESTER

Knowing Trees as Individuals (Leaf Collections**)

- **Beginning (choose A or B)**
  a) Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
  b) Exhibit a minimum of 5 native Kansas trees showing leaf, twig, and fruit from each species collected.

- **Intermediate (choose A or B)**
  a) Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
  b) Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species collected. The exhibit must include 5 new leaf, twig, and fruit specimens.

- **Senior (choose A or B)**
  a) Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
  b) Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig, and fruit specimens.

- **Advanced (choose A or B)**
  a) Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. The exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
  b) Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaf, twig, and fruit specimens.

HOW A TREE GROWS

- Display: Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.

TREE APPRECIATION

- Display: Entry may include research or reporting project notebook with no more than 10 pages based on exhibitor’s selected tree. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell you about the tree you have selected.

GROWING AND PROTECTING TREES

- Display: Entry requires project notebook talking about project and pictures before, during and after planting seedlings.

TREE CULTURE

- Display: Entry requires a project notebook showing your project work and includes pictures of before, during and after wood lot improvement.

HOW FORESTS SERVE US

- Display: Entry may include collected wood samples (all or partial) and a 500-word essay. Wood sample display to be mounted on poster board or any stiff material no larger than 2’wide x 3’ high. The essay should be displayed in a covered binder.

Educational/Creative Exhibit

- Display: Entry must be related to tree identification of Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) Given a maximum size of 2’x3’. Care should be taken to use durable materials that will withstand Fair conditions. This is a good class to exhibit an unusual collection.
GEOLOGY & LAPIDARY

Read Rules for 4-H & FFA General Rules

1. The standard size exhibit box should be 18”x24”x3½”. Plexiglass covers are required. Boxes with glass covers will not be accepted. If a box has a sliding plexiglass cover, it must be removable for the top. Screws, locks, or other devices that would prevent judges from removing cover should not be used. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit exactly 18” across the top and 24” deep exactly.

2. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of species in the upper left-hand corner of the Plexiglas cover (inside-use clear double-sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside).

3. Exhibitors may enter both geology and lapidary classes. Exhibitors may show in only one of the first four geology classes. Exhibitors may show in the Special Exhibit Class, Mineralogy and in one or more of the lapidary classes.

4. Specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county) where collected. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum, Class, and Genus levels if possible.

5. The first geology four classes, specimens should be mounted in the box by the proper groups-rock, minerals, and fossils. Genus’s name is, to begin with, a capital letter. The species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words “phylum, class, genus” on labels are to be spelled out, not abbreviated.

6. The first geology four classes, all specimens must be collected from locations in Kansas. Out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

7. This category has simplified rules. Before selecting a class, make sure to read Kansas State Fair Rules for Guidelines for each category. https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html

CLASSES

- Display, box of 15 different rocks, minerals or fossils collected during the current year. Only those exhibiting at the county fair for the first time may enter this class.

- Display, box of 30 different rocks, minerals, or fossils, at least 5 each. Fifteen must be collected during the 4-H year.

- Display, box of 45 rocks, mineral, and fossils, at least 5 each. Fifteen must be collected during the 4-H year. Identify the rocks as igneous, metamorphic, or sedimentary. These rock types must be spelled out on labels or have a legible key.

- Display 60 rocks, minerals, or fossils, at least 5 each. Fifteen must be collected during the 4-H year. The exhibit must include approximately 15 specimens of current year’s work igneous, metamorphic, or sedimentary. These rock types must be spelled on labels or have a legible key.

- Fossils. Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.) See #5 for additional fossil labeling expectations

- Geology Educational Exhibit-Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Native American artifacts. Digital formats are accepted. Please plan for the judge to view your exhibit and have a hard copy for display. Exhibit limited to 4 feet of table space. Care should be taken to use durable materials that will withstand Fair conditions.

- Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e., Carbonates, Oxides, and Silicates) and at least 3 classes must be represented. The member must use one standard display box. The specimens must be labeled with the number of the specimen, date collected, name of specimen, the county it is collected and chemical composition if known.

Lapidary

All lapidary specimens should be labeled with the following information: Specimen name. Place of origin (country, state, or county; county required for Kansas specimens), Purchased or self-collected, Date lapidary treatment began, Date lapidary treatment completed (Treatment completed after the State Fair is considered a new year specimen)

- Lapidary-Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected. Locals must be identified. Only those exhibiting lapidaries for the first time may exhibit in this class.
- Lapidary-Display before and after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H member collects any of these. Locals must be identified. Lapidary work should be done during the current year.
- Lapidary Display-before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least 2 varieties should be collected from the native site by the 4-H member, at least one that comes from Kansas. Locals must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
- Lapidary Display-before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be made during the current 4-H year.
- Lapidary Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings. Special lapidary exhibits should be entered in class 1994. Please note that each member is limited to one entry in this class.

HOME ENVIRONMENT
Read Rules for 4-H & FFA General Rules
1. Open only to members enrolled in a home improvement project.
2. Articles may have been used before exhibited, but if so, shall be carefully laundered or cleaned before being exhibited.
3. Educational posters or displays or notebooks may include swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans.
4. An entry card must be attached to the exhibit with a safety pin(s) or tape and string.

CLASSES
- Single Exhibit: An article (furniture, fixtures, interior or exterior, etc.) made or re-finished by the member for the home. Must include an attached summary.
- Design Board. Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include an attached summary.

Notebooks may include floor plans, swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Additional summary is not required for Notebook exhibits.

PHOTOGRAPHY
Read Rules for 4-H & FFA General Rules
Exhibitors must sign up for a time slot starting at 1:00 p.m. Bring photos at the assigned time.

1. Photographs entered must be the result of the current year's project work by the 4-H member. Photos must be taken by the 4-H member (exhibitor).
2. Black and white prints and color photographic prints may be exhibited.
3. All photos must be no larger than 8”x10” and no smaller than 7”x9”.
4. Exhibitors may exhibit up to four entries in this division.
5. Photos must be mounted across the narrow (11”) dimension of an 11”x12½” board of white studio mount with the top edge of the print 1” below the top mount. The sides of the print must be equal from the two sides of the mount.
6. (Board is always oriented narrow side up). Photo studio mounts are available at the Extension office. Photos mounted on foam core board will not be displayed.
7. Photo Bags: Photos must be in a 2-gallon Ziploc Bag or in a clear bag. PLEASE DO NOT SEAL THE CLEAR BAGS, superintendents will do that for you.
8. Remove the white border from the enlargement before mounting.
9. A full coverage permanent mount (spray adhesive recommended or heat mount) must be made. Each photo is handled numerous times (up to 25) throughout the judging, sorting, and display process.
10. No lettering is permitted on the front of the mount or on the photo.
11. To protect exhibits from dust or moisture, place a photo in a 2-gallon self-sealing bag or the photo covers.
12. On the back of the mount, in the UPPER LEFT-HAND CORNER, write the exhibitor’s name, address, photo class, the location where the photo was taken, Southwind District and Neosho County on it.
13. Improperly mounted photos (including prints with the white borders not removed) will be awarded a ribbon one place lower than the placing determined by the official judges.
14. 4-H Entry Tag MUST be paper clipped to the front of ALL photo exhibits.
15. Photographs were taken having no more adjustments than exposure, color intensity or correction, one click filter effects, red-eye removal, cropping, dodging, and burning should be entered in the standard color or black and white classes.
16. Digital Composite Image: Finished photo must be created from two or more original sources created by exhibitor. Photos will be judged on photographic merit as well as manipulation technique and process.
17. The black and white class is for black and white prints only. Monochromatic prints, including sepia prints, are considered color photos, and must be entered in the appropriate color photo class.
18. A grand and reserve rating will be awarded in each age category. One of the three grand champion winners will be named overall grand champion and awarded a plaque.
19. Improperly mounted photos, oversized or undersized photos or photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one place lower than the placing determined by the official judges.
20. Photos with the live subject(s) on the railroad right away or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.
21. Photograph examples can be people, nature shot, action, animal/insect, man-made objects, macro (close up) and portrait.
22. Digital Composite: The photo must be of two or more originals taken by the exhibitor. Exhibitor must include a second 11”x12½” matte board mounted with standard size print or prints (if more than one photo was used) of the original photo(s) and 3x5 card(s) explaining what manipulation was done. May include additional photos (standard size and may be layered) showing editing steps. Place both matte boards in the same protective plastic bag.

CLASSES
- Color
- Black & White
- Digital Composite
- Fun Class, all ages (Theme: TEXTURE(S)) Not eligible for Grand or Reserve.
- Growth Portfolio: 1. Members must have been enrolled in Photography projects for five (5) years or more. 2. Exhibit will consist of five (five) photos - one from each of the past 5 years of enrollment. Each photo must have been created in a different year and must be labelled with the year taken and which year of enrollment it represents. 3. Photos must be 8” x 10” and may be color or black and white. 4. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode, and shutter speed must also be listed. 5. Skill set used to create the photo must be given and explained. Main goal for each year should be listed. 6. Beginning with photo 2, a member description of GROWTH in project skill must be included on the information sheet. 7. Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed in #6 and #7. A portfolio book will be required.
- Career Portfolio 1. Member must have been enrolled in Photography for 5 (five) or more years OR member must be age 15 - 19 and have been enrolled in photography for at least two (2) years. 2. Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer),
Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years. 29 Revised 2/26/21 3. The settings for focal length, aperture, mode, and shutter speed must also be listed. 5. A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described. 6. Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.

PLANT SCIENCE-FIELD CROPS
Judging Date: Thursday, July 21 at 10:00 a.m. Read Rules for 4-H & FFA
General Rules
Exhibits must be in place between 8:00-10:00 am on Thursday, July 21.
Entries are to be grown by the club members during 2021-22. Each member may enter one exhibit per class. All classes calling for a gallon sample may have a 2½”-3” diameter cylinder placed in the glass gallon container to reduce the amount of grain to about three quarts. Every entry must be identified by a hybrid or variety name.

WHEAT-ONE GALLON SAMPLE
• Soft red winter wheat
• Hard red winter wheat
• Hard white wheat

CORN-TEN EAR EXHIBIT
• Yellow Corn
• White Corn

SORGHUM-TEN HEAD EXHIBIT
• Grain sorghum, hybrid
• Hybrid forage sorghum - exhibit to consist of the entire plant, no roots
• Other forage sorghum - exhibit to consist of the entire plant, no roots

SUNFLOWERS
• Confectionery heads, 3 heads
• Confectionery seeds, 1 gallon
• Oil Seed Heads, 3 heads
• Oil Seed, 1 gallon

OTHER CROPS
• Oats, 1 gallon
• Barley, 1 gallon
• Alfalfa Hay – exhibit to consist of one flake or rectangular bale, or a 10” section cut from a round bale. Flake or slice should be approximately 6” think and tied in two directions.
• Grass Hay – exhibit to consist of 10” flake or slice and tied in two directions.
• Brome Grass Seed, 1 gallon
• Soybeans, 1 gallon – from most recent harvest
• Soybeans, a bundle of five from the most recent harvest
• Edible Field Beans, 1 gallon from the most recent harvest
• Edible Field Beans, a bundle of five with roots intact, from the most recent harvest
• Miscellaneous Crop – one gallon of seed or 10 heads produced from the current project (identify crop and variety)

EDUCATIONAL WHEAT DISPLAY
Freestanding display must not exceed the overall dimensions of 36” wide x 36” high x 18” deep (measured on the outside). Care should be taken to select durable materials that will withstand fair conditions. Displays must not require electricity and will judge 70% on the educational value and 30% on the quality of display material.
• Educational Value-is the main idea of the display specific? Was the title or theme emphasized? Is the idea presented so clearly, so simply, so forcefully, that it will stop the casual observer? If the passerby stopped, did the display give the observer additional facts in a clear, concise way? For example, variety differences in wheat, economic gains from
adoption of desirable practices, etc.

- Quality of Display Material: Size, style, and neatness of lettering. The models and lettering must be proportional. Workmanship, including handouts, if used. Charts, models, and lettering are used effectively to teach ideas. Colorful, artistic, neat, and well balance.

**WEED CONTROL EXHIBIT**

- Make a standard size (13”x18”) wooden plant press for pressing weed plants for mounting. Identify your press with your name and county taped to the bottom side.

- The exhibit will consist of 4 items listed below:
  - Collect, identify, press, mount, and label 15 weeds. Try to include their roots, stems, leaves, and flowers. Three of the weeds must be noxious weeds, preferably found in your county. A standard 9”x12” scrapbook may be obtained in which to permanently mount your weed specimens. Identify the scrapbook with your name and county on the inside front cover.
  - Prepare a list of the weeds mounted showing common name, scientific name, where it was found. Place the list in the specially identified section of the scrapbook.
  - Collect and identify weed seeds found in crop seeds. Mount them for display purposes. Place them in a specially identified section of the scrapbook.
  - Write a story on ‘How We Control Weeds on Our Farm’ if you live on a farm. Other members write ‘How We Control Weeds at Home.’ The story should be about 300 words in length. It must show definite methods used to control weeds. Place the story in a specially identified section of the scrapbook.

- The basis for Awards-Mounted weed collection: number of mounted specimens, completeness of individual mounts, the correctness of identification and information, and neatness. Include a record sheet of weeds. 50% on records; 30% on weed seed collection and exhibit; and 20% on the story.

**HORTICULTURE**

Read Rule for 4-H & FFA General Rules

Entries must be grown during 2022

2. Garden Display—a 4-H member may have one exhibit in a garden display.
3. Variety and name of the exhibit must accompany the exhibit.
4. Fresh Culinary Herbs; Six stems, or a comparable quantity, of one variety of fresh herbs, exhibited in a disposable container of water. Dried herbs are not accepted. A member may enter up to four exhibits, with a different vegetable from the small, medium, large, or herb class. A county fair exhibitor earning a purple ribbon on an out-of-season vegetable (i.e., early peas) is eligible to exhibit another vegetable (i.e., pumpkin) in its place.

**CLASSES**

- Small vegetable specimen plate (12): Ex: green snap beans, yellow wax beans, other small vegetables.
- Medium vegetable specimen plate (5): Ex: cucumbers, cherry tomatoes, tomatoes, beets, white onions, yellow onions, red onions, bell peppers, other peppers, okra, parsnips, radishes, turnips, sweet potatoes, red potatoes, white or Russet potatoes, carrots, miniature pumpkin, decorative gourds, or other medium vegetables.
- Large vegetable specimen plate (1): Ex: watermelon, summer squash, winter squash, large type pumpkin, eggplant, cabbage, cantaloupe, other large vegetable.
- Fresh Culinary herbs (6): ex: parsley, basil, dill, etc. Six stems (or a comparable quantity) of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted.
- Small fruits (one half pint box): Ex: Strawberries, blackberries, raspberries, or other similar sized fruits. (If other, please include name of fruit on entry).
- Tree fruits (plate of 5) Ex. apples, pears, peaches, or similar sized fruits.
- Grapes (plate of 2 bunches)
- Garden Display. Each exhibitor in this class will be limited to four square feet of space. The Garden Display must be exhibited in a tray, basket or container that can be easily moved by the fair staff. Exhibit consists of five different types of fresh vegetables or fruits. Canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited. The numbers of the five types of vegetables or fruits to be exhibited are as follows: Large Vegetables (One Each): Cabbage, Cantaloupe, Eggplant, Large Pumpkin, Squash, Watermelon, Other; Medium Vegetables (Five Each): Beets, Carrots, Cucumbers, Decorative Gourds, Potatoes, Miniature Pumpkins, Okra, Onions, Peppers, Radishes, Sweet Potatoes, Tomatoes, or other similar sized vegetable; Small Vegetables (Twelve Each): Green snap beans, wax beans, English peas, or other similar sized vegetables; Small fruits (One Half Pint Box): Strawberries, blackberries, raspberries, or other similar sized fruits; Tree fruits (5 Each): Apples, pears, peaches, or similar sized fruits; Grapes (2 Bunches); Fresh Culinary herbs (6) ex: parsley, basil, dill, etc. Six stems (or a comparable quantity) of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted, and small fruits (one half pint box) Ex. Strawberries, blackberries, raspberries, or other similar sized fruits. (If other, please include name of fruit on entry).

**SCIENCE IN HORTICULTURE**
This phase provides 4-H members of any age the opportunity to perform simple experiments with plants such as:
- Experimenting with plants, plant parts, and their function, plant propagation.

**LANDSCAPE**
Members learn to plan for the yard and list the family needs and desires and divide the yard into separate areas based on use.
- Trees and shrubs are planted according to plan.

**ORCHARD**
The exhibit will be a plate of 5
- Apple, any variety
- Peaches, any variety
- Pears, any variety
- Other Fruits

**FLORAL**
All materials should be grown and collected rather than purchased. Houseplants must be cared for by the exhibitor for a minimum of 6 months. Specimens and cut flowers are judged for cultural perfection and condition at the time of judging. It is recommended flowers and arrangements are in disposable containers: bottles, jars, mugs, jugs, etc. Single stem specimens may be placed in clear pop bottles. Pickle jars are usable but no decorative ornamental containers. If a non-perishable container is used, mark it plainly with your name. Containers cannot be picked up until release time. Entries should not take over one square foot of table space. A specimen is (1) one stem or branch. Garden Flowers do not include Marigold and Zinnia, as they have their own class. Potted plants are not accepted at the Kansas State Fair.

Specimens:
- Garden flower, annual, single stem
- Garden flower, perennial, single stem
- Marigolds, large
- Marigolds, medium
- Marigolds, dwarf
- Zinnia, large
• Zinnia, small, miniature or button
• Lily, single stem
• Roses, any variety
• Flower arrangement, fresh, judges on artistry
• Flower arrangement, dried, no fabric or plastic material allowed, judged on artistry
• Potted plant, foliage type
• Potted plant, flower type
• Miscellaneous (specify entry)

POULTRY
Judging Date: Saturday, July 23 at 8:00a.m.

Read Rules for 4-H & FFA General Rules:
1. Poultry will be entered from 7 a.m. to 10 a.m. on Thursday. Poultry will be caged by breed.
2. Cages will be assigned by the superintendent. Poultry not pre-entered will get leftover cages.
3. All birds must be mature enough to be fully feathered with adult plumage.
4. The same birds cannot compete in both single and trio classes
5. An exhibitor is limited to not more than two entries of any breed and variety.
6. All eggs laid during the county fair will be gathered by the superintendents in charge.
7. In any class where only one entry is made, awards will be made at the discretion of the judge, based on the quality of the exhibit.
8. Disqualification will bar competition from the class. Some of the more common disqualifications are listed in “A Guideline in Selecting and Preparing Birds for the Show.”
9. The comparison system of judging as outlined in the American Standard of Perfection will be used in placing awards. The classes will be judged primarily based on exhibition qualities as described in “The American Bantam Standard of Perfection,” “American Poultry Association,” and “The Bantam Standard of Perfection,” American Bantam Association.
10. Breeds should be stated at the time of pre-entry. It is recommended that you reserve pen space.
11. Entries will not be accepted unless band numbers are listed in the entry book. All birds must be banded when placed in cages.
12. Birds are not to be removed from the exhibit building without permission from the superintendent in charge. A person violating any of the rules will forfeit any prize money that may have been awarded.
13. All entries must be the bona fide property of the exhibitor. Any exhibitor in violation of this rule will be subject to disqualification.
14. 4-H exhibitor receiving a top blue/purple (large or bantam) pullet hen, cockerel, and cock, or duck or goose may enter in the appropriate class in Open Class. Water bowls and feeders will be provided.

MARKET POULTRY

A member must start with any number of chicks or pullets of either sex for broilers, roosters and turkeys or cockerels for capons. Follow recommended practices to grow birds to market age, starting your chicks so they are 8 weeks old by show time. A broiler or fryer is defined as a young chicken (usually 6-8 weeks old).

LAYING

Grow and/or manage pullets or hens for laying during the current year, keeping accurate records.
• Production Pullets-Pen, 3 standard breeds, crossbred or strain cross pullets to be judged on egg production qualities only.
• Production Hens-Pen, 3 standard breeds, crossbred or strain cross hens to be judged on egg production qualities only.
EXHIBITION

Start with any number of species of exhibition poultry (chickens, turkeys, ducks, and geese) feed, manage and keep accurate records.

Meat-type Chickens: pen, 3 standard breeds, crossbred or strain cross birds of the same sex, judged on meat production qualities.
- Turkeys, all breeds: 1 bird, either sex, per variety
- Ducks, all breeds: 1 bird, either sex, per variety
- Geese, all breeds: 1 bird, either sex, per variety
- Guinea, all breeds: 1 bird, either sex, per variety
- Dual Purpose Pullets (such as Rhode Island Red, New Hampshire, Plymouth Rocks)
- Dual Purpose Hens
- Miscellaneous (please identify entry)

BANTAM
- Cock
- Cockerel
- Hen
- Pullet
- Young Trio, 2 pullets and 1 cockerel
- Old Trio, 2 hens, and 1 cock

LARGE FOWL
- Cock
- Cockerel
- Hen
- Pullet
- Young Trio, 2 pullets and 1 cockerel
- Old Trio, 2 hens and 1 cock
- Miscellaneous Large Fowl (please identify entry)

GAME BIRDS
- Quail
- Miscellaneous Game Bird (please identify entry)

PIGEONS

You must own and care for a minimum of one pair of birds with at least one brood during the first year. All pigeons must be shown with a numbered band. Young birds must be shown with seamless bands, or else be judged in the old class. Young birds are those hatched in the calendar year of the show. Old birds are those hatched in the previous calendar year. Judging will be by comparison only, using the latest standards of the National Pigeon Association. Exhibitors must designate breed when pre-entering. It is recommended you reserve pen space. Identify: 1 bird, either sex, per variety.
- Old Cock
- Old Hen
- Young Cock
- Young Hen
RABBITS

STEM – ALL CATEGORIES
   - Read Rules for 4-H & FFA General Rules
   - This category only lists classes. Before selecting a class, make sure to read Kansas State Fair Rules for Guidelines for each category. [https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html](https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html).
   - Members 7-9 years of age may compete in the first class listed under each category.

STEM – AG MECHANICS CLASSES
   - Welding display board – a 3 foot by 3-foot display board with different pieces of metal attached illustrating different types of welds, each weld being labeled
   - Welding ag repair – repair of ag equipment with welding
   - Welding ag fabrication – creation of new ag equipment with welding
   - Welding general repair – repair of non-ag equipment with welding
   - Welding general fabrication – creation of non-ag equipment with welding
   - Welding artistic fabrication – creation of artistic or interpretive pieces with welding
   - Brazing repair
   - Brazing fabrication
   - Smithing display board – a 3 foot by 3-foot display board with different pieces of forged metal attached illustrating different forms, each form being labeled
   - Level 1 Smithing – A design forged with at least one formed element (twists or spirals for example) Experienced – Level 2 classes (about 4 - 6 years of experience) This level is designed for youth some experience in the project area allowing them to expand on common principles and methods in the given area.
   - Level 2 Smithing – A design forged with at least two different formed elements (twists and spirals for example) Advanced – Level 3 classes (about 7 - 9 years of experience) This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.
   - Level 3 Smithing – A design forged with at least three different formed elements (twists, spirals, and bulbs for example) Master – Level 4 Classes (10 or more years of experience) 34 Revised 2/26/21. This level is designed for youth substantial experience in the project area allowing them to master advanced techniques in the given area.
STEM – ARCHITECTURAL BLOCK CONSTRUCTION

- Diorama illustrating at least 2 architectural features beyond floors, ceilings, and walls
- Diorama illustrating at least 4 architectural features beyond floors, ceilings, and walls, and includes 1 or more motion elements
- Diorama illustrating at least 6 architectural features beyond floors, ceilings, and walls, and includes 2 or more motion elements
- Diorama illustrating at least 8 architectural features beyond floors, ceilings, and walls, and includes 3 or more motion elements.

STEM – ASTRONOMY

Classes

- Telescope made from kit
- Telescope made from original design.
- Educational Poster, Notebook, Display Board (see STEM Educational Exhibit rules is KSF Book).

STEM – COMPUTERS

Classes

- Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a ‘word document’ or a picture drawn in ‘Microsoft Paint.’)
- Computer presentation (power point, web page/site, animated graphics, etc.)
- Single computer system (web server, database server, etc.)
- Networked system consisting of two or more computers
- Chip system - a small (8"X8"X8") programmed physical device that accomplishes a specific.

STEM – ROBOTICS

Classes

- Robot made from a commercial (purchased) kit.
- Robot designed and constructed by the exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
- Programmable robot made from a commercial (purchased) kit.
- Robot designed and constructed by the exhibitor or from a commercial kit, that is operated by a remote-controlled device
- Junk Drawer Robotics
- Educational Poster, Notebook, Display Board (see STEM Educational Exhibit rules in KSF Book).

STEM – ROCKETRY

Classes

- Rocket made from kit, without pre-assembled fin units. Include plans.
- Scale Model Rocket made from kit. Include plans.
- Scale Model Rocket made from kit. Include plans.
- Mid or high-power rocket made from kit or original design.
- Educational Poster, Notebook, Display Board (see STEM Educational Exhibit rules in KSF Book).

STEM – UNMANNED AERIAL SYSTEMS

Classes

- Unmanned Aerial System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
- Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.
- Educational Poster, Notebook, Display Board (see STEM Educational Exhibit rules in KSF Book).

SWINE

Judging Date: Friday, July 22 at 8:00 a.m.

Read Rules for 4-H & FFA General Rules

1. Each exhibitor is limited to not more than two entries in any class.
2. Livestock exhibitors must be on hand to exhibit animals. In case the exhibitor has two in the same class, the 4-H member or FFA member may ask another Neosho County member to assist him/her, provided it meets with the approval of the superintendent of the department.
3. In classes with only one exhibitor, the judge reserves the right to place the animal in the ribbon group they see fit.

4. All livestock exhibitors will have an entry card with them upon entering the show arena. Livestock will be placed: Purple-1st, 2nd, 3rd, Blue-1st, 2nd, 3rd, Red-1st, 2nd, 3rd, etc.

VISUAL ARTS
Judging Date: Thursday, July 22, 1:00 p.m.- 3:00 p.m. Read Rules for 4-H & FFA General Rules

1. Articles exhibited must be an original design created by the exhibitor. See copyright guidelines in the general rules section of the Fair Book.

2. All visual arts exhibits are evaluated using a visual arts rubric, which considers correct use of design elements, craftsmanship, and creativity.

3. A member may display only four visual arts items.

4. All exhibits which need to be hung (including all fine arts) must have a wire or saw tooth hanger attached (no string or tape). If necessary, hardware is not attached, a ribbon will be deducted and will not be displayed.

5. Multi-piece items should be marked accordingly.

6. No plants or plant materials needing watering can be entered as an art display or item.

7. All exhibits are entered at your own risk.

8. Copyright *Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. If you create a replica of what you see somewhere else (i.e., Pinterest), it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit.

CLASSES
- Fine Arts: Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

- Clay and Ceramics Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.

- Leather and Jewelry Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.

- Three-Dimensional: The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled project are not acceptable.

- General Crafts: This category incorporates miscellaneous pieces that do not correspond to the four above-mentioned categories.
WILDLIFE

- A member may make only one entry in this division.
- Exhibitors must comply with state and federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
- KSRE, 4-H Youth Development and the Kansas State Fair are not responsible for damage during the exhibition period.
- Name, county or district, age and year in project should be in a prominent location on the exhibit.
- Notebook. Contents pertain to some phase, results, story, or information about the wildlife project
- Promotional Poster. Must be related to something learned in the wildlife project. (Flat poster board or foam board no larger than 22” x 28”)
- Educational Display. Must be directly related to the wildlife project. Maximum tri-fold size is 3’ x 4’.
- Taxidermy/Tanning Exhibit. Should include an attachment that shows the work in progress through photos with captions, or a detailed journaling of the process.

WOOD SCIENCE

Read Rules for 4-H & FFA General Rules

1. The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step-by-step instructions is not a plan.
2. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e., a blue-ribbon exhibit will receive a red ribbon).
3. The use of materials other than wood should be kept to a minimum.
4. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
5. The entry card plans, and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to accomplish this. It is recommended to use a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit.
6. Refinished/ repaired furniture should be exhibited in Home Environment Class 4400 - Single Exhibit.
7. Projects made from pre-cut kits are not allowed.
8. In judging woodwork articles, consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.
9. Firearms and weapons are not to be entered or exhibited at the Kansas State Fair in the Kansas 4-H Youth Development Department.
   - Article for farm or shop use
   - Furniture for household
   - Furniture for lawn use
   - Other woodwork articles (ex. Bird houses, bird feeders)
