LIVESTOCK EXHIBITORS

Only use the box area for Breeding animals.

Mark Auction if you are planning to sell your animal through the premium sale. If you have that animal sold to someone, also mark locker. Please list buyer with a phone number. (Premium buyer has the first option).

If you do not have a buyer for your market animal, mark base bid.

If you are planning on taking your animal home, mark home.

You will need to fill out a form for each animal that you bring to the fair. Do not fold these forms and only write on 1 form as they will copy through if you write on a pile of them. These can be picked up on setup night or on Sunday before you weigh your livestock in. Bring the completed form to the scale with your animal. **Please only fill out the owner, tag number, and species part.** We will stamp a weight on this form and give it back to you.

Show day: Bring the YELLOW copy to the show arena when you show your animals in class (NOT showmanship). The ring help will pick up the yellow copy from you before you leave the show ring. We will hand out ribbons after each show this year, so you will need to come to announcer stand and pick up your ribbons when you are finished showing that species. Please bring your WHITE copy marked with: auction, base bid, home or locker. Please put which locker and who is purchasing the animal on this form along with a phone number so the locker can call the person for a cutting order. Swine that you want to take back home can leave Sunday night. Pigs that will be going to Prime Meats (that are not in Premium Sale) will be picked up Monday morning if I have your completed paper work.

Animals going thru Premium Sale: The premium buyer has the first option on that animal. If the buyer does not want to keep it for their use, than as the exhibitor you can decided on where it is to be harvested. All animals going through the premium sale must be harvested. Creekstone can take black hided steers. I will have a base bid for pigs, sheep and goats. **2020: 4-H’ER CAN ONLY SELL ONE ITEM IN THE PREMIUM SALE!**

Minimum weights to go through the premium sale are: Steers-1,000 lbs, market pigs-210 lbs, market lambs-100 lbs and market goats-60 lbs. If your animal does not weigh the required amount, it will be taken off the scales and the scales will be re-balanced and your animal will be re-weighed immediately. Under weight animals are still eligible to show, they can not sell in premium sale, but they will be able to sell at a base bid price.

*Beef that are not in premium sale will be released after the show. Steers going to Prime Meats will be loaded early Tuesday morning.
*Rabbits will be entered on Sunday morning and they will be released when exhibitor is done showing rabbits.
*Poultry will also be entered on Sunday morning and can go home if exhibitor wants to or they can stay until Tuesday.

Plans are to have pictures taken and printed to be displayed on west show arena wall of rabbits, poultry, dogs and horses.

Lots of changes this year!! But we will survive and have a great experience at the 2020 Woodson County Fair.
