

Sheep in a Shop

Some sheep go shopping for a birthday gift. They find out they do not have enough money to pay for it. They decided to solve their problem by trading.

Some things to Think and Talk About

- The sheep were trying to make a decision. What was the decision?
- Why was it hard for the sheep to decide? How did they solve this problem?
- What does “trade” mean?
- Have you ever traded something?
- What can your family do, make, or grow to trade with others?

Key Ideas

Key Idea: Problem Solving

As things happen to us, we try to deal with them. Problem solving means finding what works best for us.

Key Idea: Decision Making

Many times there are different ways to do things or different ways to use resources. Decision making means making a choice among what to do or what to use.
