Herbs – From Plant to Plate

Whether for culinary or medicinal purposes, herbs are versatile plants. Learn how to grow herbs and how to utilize them with different foods in this workshop!

Workshop Topics:
- Growing herbs indoors
- Easiest herbs to grow
- Herb storage
- Health benefits of cooking with herbs
- Samples of healthy choices to try!

Speakers

Krista Harding is the horticulture agent for the Southwind Extension District. With her green thumb expertise, she will show you how to grow herbs both indoors and in the garden.

Clara Wicoff is a Family and Consumer Science agent for the Southwind Extension District. Clara will share her knowledge utilizing the natural seasoning of herbs to make meals healthier.
